

Reply to: Sanhedrin “Documents and information requested from a candidate to be recognized as a prophet”

Gentlemen:

We are fully cognizant of the need for thorough vetting of any person seeking your endorsement as King Moshiach, and we will cooperate in this process as much as we can. Having said that, we must add the stipulation that our cooperation will be limited to all necessary evidence to prove that Raymond Elwood Lear/Lord RayEl/Lord Ra-El is King Moshiach, by the accepted traditional standards of Maimonides and other mutually recognized authorities, but we will resist efforts to go beyond those accepted standards, as to do otherwise risks turning this into a “wish list” of personal preferences each jurist believes King Moshiach should possess, as opposed to what G-d has deemed and relayed through his chosen sages.

Further, we absolutely concur with Maimonides regarding the importance of the Torah in regard to King Moshiach, therefore we expect the Torah to be recognized in these proceedings as G-d’s word, and the final authority in any matters of dispute that may arise.

And finally, we recognize and accept the necessity of enforcing a death penalty upon any King Moshiach claimant found to be false, and because RayEl’s desire for justice supersedes his instincts of self preservation, he has given his word that he will turn himself over to the Sanhedrin for execution, should he be found false after a fair and just hearing.

Response To Requested Documents:

- In Isaiah 11:2 we are told, “the Spirit of G-d shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and strength, the spirit of knowledge and godliness shall fill him”, so in truth, a C.V. of RayEl’s exemplary past is meaningless in this process, since it is “the Spirit of G-d” upon him that makes him worthy of kingship. We will however provide a brief life history, along with supporting evidence that the Isaiah 11:2 prophesy was not mere hyperbole, but was instead a physical, witnessed, media documented event.
- In the U.S. school system, teachers do not normally reveal their personal information publically.
- Isaiah 49:2 speaks of how G-d has concealed Moshiach all this time, and RayEl has been heavily concealed for many years, so you must not expect rabbinical or even friend endorsements presently, but the fact that he now has thousands of devoted followers, should attest to his quality of character.
- Pictures attached.

- Prior to the Isaiah 11:2 indwelling, Raymond was considered to be a preeminent expert on dynamic martial leadership. He developed a set of academic and applied protocols called “Command Performance”, which extrapolated and exploited history’s greatest military stratagems, dictums and philosophies, and refined them to meet the operational needs of managers from the boardroom to the battlefield.
- His knowledge of the bible and Judaism is unparalleled, as is evidenced by his thousands of devoted followers from around the world.
- He is in perfect physical and mental health. He has never taken illegal drugs. He has never had a major illness, or broken bone, or dental cavity, or psychiatric disorder.
- He is prepared to come to Israel immediately, but we will need your assistance in establishing diplomatic transport and accommodations.

IMPORTANT:

POINT #1. King Moshiach is meant to rule the world, so you must realize that acceptance from other faiths is a necessity, therefore we will include certain non-Jewish eschatological expectations and prophecies RayEl has fulfilled.

POINT #2. Whatever your personal beliefs are concerning King Moshiach, one thing you must immediately realize... Raymond Lear’s life has matched Abrahamic prophecies perfectly, and HUNDREDS of Torah Code tables have been discovered, published, and independently verified that identify him as Moshiach by name, titles and intimate details; some Torah Code tables having computer calculated odds against chance at well over a TRILLION to one. One must either accept that he is in fact Moshiach, or the beneficiary of the most incredible string of coincidences in the history of the universe.

Curriculum Vitae:

Raymond Elwood Lear was conceived during the blood-moon tetrad that occurred in alignment with the Hebrew feast calendar. He was conceived on the blood-moon eclipse that fell on the Hebrew holiday of "Sukkot" (October 18, 1967), so he was being brought into this world just after the reunification of Jerusalem.

{The blood-moon tetrad prior to his birth, fulfills the Christian expectation of Acts 2:20}

Raymond Elwood Lear was born in the U.S., in the State of Illinois, on the evening of June 9th, 1968 (Christian Orthodox Pentecost, the time many Christian theologians believed he would return), which by Jewish timekeeping standards would have been June 10th.

{The Torah Code identifies his birthday as June 10th as well}.

His biological father was William Collins, a Rosicrucian of the famous Collins dynasty, which is directly descended from King David.

Though there is much speculation on the Internet about the Jewish Collins bloodline being the top occult Illuminati family, we maintain that what actually makes it special is its direct Davidic lineage.

He was born to Ruth Alice Smith and Raymond Elwood Lear Sr (stepfather).

Ruth, Raymond Sr, and William all had military backgrounds, which led young Raymond into military and paramilitary leadership training programs from the time of childhood.

Being a top cadet in both Army and Navy programs, he later joined the U.S. Navy, and eventually became an Executive Officer/Instructor of Military Science and Leadership Development for the premier U.S. Naval leadership training program.

Raymond always had an unquenchable desire for justice, and from a very young age set out to do G-d's work. At the age of 15, he entered the ranks of the world famous "Guardian Angels", the internationally celebrated volunteer crime fighting force that began in New York.

Raymond quickly rose through the ranks, being continually recognized for leadership, bravery and heroism, he soon became the Commander of the Chicago Chapter of the Guardian Angels, considered by many to be the most dangerous chapter in the world, because of Chicago's unparalleled crime and corruption. His fight against evil was truly "**fighting the wars of G-d**" (Maimonides).

Because Chicago's notorious crime and corruption problem infamously extends into public policy, police and politicians, Raymond found himself fighting far more than just well-armed street gangs. The public saw him as 'the only incorruptible man in Chicago', and pushed him to run for public office to clean up the system from the top.

When Raymond ran for office, it terrified the corrupted politicians and police, because Raymond could not be bribed or intimidated, so they conspired to commit a terrible crime against him and his family. They killed his stepfather, kidnapped and drugged his fiancée, and jailed both him and his elderly mother on false charges, all to keep him out of office.

{His false persecution and imprisonment were prophesied in Matthew 25:36}

After this ordeal, Raymond was secretly removed from the U.S., and during January of 2011, he was kept in the "International Zone" between the U.S. and Mexico, this is **EXTREMELY IMPORTANT**, because it led to the fulfillment of Jewish, Christian and Muslim prophecy regarding Moshiach's arrival.

In Christian scriptures, Yeshua was a righteous man, but only became the Son of G-d when G-d's Spirit came to rest upon Yeshua at his baptism:

Matthew 3:16-17 But when Yeshua was baptized, at once he came up from the water, and Heaven was opened unto him, and he saw The Spirit of God descending like a dove and coming upon him. And behold a voice from Heaven that said, "This is my Son, The Beloved, in whom I am delighted."

But at the time Moshiach is to become King, this event is prophesied to be replicated by all 3 Abrahamic religions:

JEWISH PROPHECY:

Isaiah 11:2 The Spirit of the LORD shall rest on him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD.

ISLAMIC PROPHECY:

"... he will descend with the white minaret, east of Damascus (gate)" — Sahih Muslim Book 41, Hadith 7015

CHRISTIAN PROPHECY:

(When Yeshua was lifted to Heaven 2000 years ago, this was the scripture that described it)

Acts 1:11 And they were saying to them, "Galilean men, why are you standing and gazing into the sky? This Yeshua, who was taken up from you into Heaven shall come in this way, as when you saw him going up into Heaven."

(And his return as Moshiach was described with this scripture)

Matthew 24:27- 28 For just as lightning goes out from The East and appears unto The West, so will the coming of The Son of Man be. Wherever the body will be, there will the eagles be gathered.

American Bald Eagle:

Matthew 24:27-28

For just as lightning goes out from The East and appears unto The West, so will the coming of The Son of Man be.

Wherever the body will be, there will the eagles be gathered.

U.S./Mexico
"International Zone"

Mexican Golden Eagle:

The border comprising the U.S./Mexico "International Zone" is symbolized by the gathering of eagles (American Bald Eagle/Mexican Golden Eagle). This is where Raymond was when the Holy Spirit descended on January 28th 2011, east of Damascus gate, over the white minaret on Temple Mount. It flashed like lightning, and traveled west to join with Raymond in the U.S./Mexico border zone.

You can watch the news coverage of the event here: <https://youtu.be/LpzKeJAP8bc>

He was then instructed to take a new name, "RA-EL" (or "RayEl" using Hebrew vowel rules), which is a truncation of his first and middle names **RA**ymond **EL**wood, and it's his last name, Lear, spelled backwards.

This also is a fulfillment of Christian prophecy. Revelation 19:12-13 speaks of Moshiach's arrival by telling us two important things: "he had a name written, that no man knew, but he himself" and "his name is the Word of God". Nobody knew him as RA-EL prior to this, nor did theologians (Jewish, Christian or Muslim) think this would be Moshiach's name, but when one looks at the Egyptian-Hebrew etymology, RA-EL means "Word of God".

But Jewish prophecy secretly gave his name already...

2 Chronicles 7:14 if My people, upon whom My name is called, shall humble themselves, and pray, and seek My face, and turn from their evil ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

He is Ra-El, his people, upon whom his name is called, are Israel.

After the Holy Spirit indwelling, it was made known on the Internet that Moshiach had arrived. Obviously such a claim was immediately scorned by almost everyone, but a man named Richard Ruff, who was military trained in code analysis, sought to expose RayEl as a fraud using the Torah Code, since he had already been able to show other messianic claimants to be frauds by this method.

After many attempts, Richard could not find fraud, instead every Torah Code table he investigated showed the same thing... Raymond Elwood Lear/RayEl/RA-EL is Moshiach! Richard Ruff has now discovered several hundred Torah Code tables confirming this fact, and multiple independent researchers have discovered the same thing, or found additional code tables that further confirm what has already been discovered. Since Torah Code software is freely available to the public, and all of the software uses the same Torah, the evidence is easy verified, and cannot be faked.

You can see a sample of the findings:

Here: <http://torah-codes.net/rayel.php>

And here: <https://www.facebook.com/groups/TorahCodes/>

These discoveries, in fulfillment of Daniel 12:4, are the initial impetus for all of Israel to return to Torah (Maimonides).

It is true that some Rabbis have rejected the results, but **not because the evidence is faulty**, they reject it because the Torah Code says that RayEl was "Yeshua", and these Rabbis are not willing to accept the ramifications of that revelation.

When the nations did not believe him, he waged war against them (Maimonides), and from 2011 until now, YouTube dated videos of his public threats, followed by major cataclysms, have been meticulously documented: <https://www.youtube.com/playlist?list=PLCC22153BF1FCE5F0>

Since the time of his conception and birth, Jews have been gathering to Israel (Maimonides), and now, as he uses the armies of Islam to gather the nations together for war, he has also caused Jews to gather to Israel in even greater number.

He has built the Beis Hamikdash in his heavenly place (Maimonides), and since he is now on Earth, he is bringing it down from the clouds, something witnessed by thousands, and predicted by Rabbi Eliezer Berland, just days before it happened: <http://rabbieliezerberland.blogspot.com/2015/10/floating-city-over-china-or-third.html>

Rabbi Kaduri's controversial revelations that Moshiach is already here, and was in fact Yeshua, would use the media to communicate, would not hold office, and would come into Israel shortly after Ariel Sharon's death, were all correct.

There have been MANY miracles ascribed to RayEl, but because Maimonides said it is not a requirement, we won't address them at this time.

And finally, Moshiach is expected to reestablish the Sanhedrin, and through Israel's repentance, redeem the Jewish people... Since this hearing will serve to establish the authority and legitimacy of the reconstituted Sanhedrin, this belief will be fulfilled, and if the Sanhedrin decides on behalf of Israel as the legal representative of world Jewry that Yeshua was falsely convicted, and anoints RayEl, this will be a representative repentance for all Jews, and King Moshiach will redeem his people.
